

Intrapreneurship: act of behaving like an entrepreneur while working within a large organization.

What to look for:

- 1) Are there opportunities to improve processes/procedures/events?
- 2) Are there changes to your role, your organization, or the market on the horizon?
- 3) Is there a better way to utilize your budget/resources/staff?
- 4) Do you have an upcoming retreat or forum to present your ideas and generate buy-in from supervisors/peers?
