Our section held its first call on Thursday, June 11, 2020. Our section Vice-Chairs (listed below) were present on the call.

1. Alisa shared updates from the Board provided by Board Liaison, Gwendolyn Ferrell. Section members have benefited from NALP’s support, resources, surveys, and town halls held during these last few months and look forward to continuing to engage.

2. Introduction of Vice-Chairs and Reports
   a. Vice-Chair of Annual Education Conference / Bulletin Article and Webinar Planning - Trisha Y. Nakamura
      i. Charge: Brainstorm with Section membership to develop ideas and identify speakers for the 2021 Annual Education Conference and topics for Bulletin articles. Assist members through the completion of the RFP processes for both. Consider the production of educational webinars throughout the year.
      ii. 2021 NALP Annual Education Conference RFP Process
          1. We reminded members the deadline for RFP submissions to the 2021 NALP AEC is now July 24, 2020. We will likely schedule another call to firm up section RFP submissions prior to the deadline.
      iii. Bulletin Articles
          1. We reminded members the deadline for submissions is June 15th.
          2. We had a robust discussion about potential bulletin articles, including the impact of furloughs and budget cuts on small and solo CSO offices and how CSOs might maintain engagement with students while working remotely and practicing social distancing.
          3. Trisha will be working directly with volunteer authors and finalizing our article submissions to be submitted Monday, June 15th.
          4. Proposals submitted are attached.
      iv. Webinars: the section wants to deliver at least 2 educational webinars on “hot topics” this year.
   b. Vice-Chair of Member Relations and Membership Development – Tanya Lundberg
      i. Charge: Reach out to new and/or continuing members on a periodic basis to welcome them to the section and educate them about ways to get involved. Consider reaching out to additional members encouraging them to join the section.
1. Tanya will be forming a Member Relations work group/gathering volunteers to help with Member outreach initiatives.

c. Vice-Chair of Programming Best Practices - Katie Atkinson Overberg
   i. Charges: Explore best practices for providing programming to students. Consider best practice for advisors on providing effective virtual programming in a world of physical distancing. In collaboration with the Law Student Professional Development Section, consider creating a To Go Kit on the basics of launching a professional development curriculum for students.
   ii. Katie will be looking for volunteers to assist with this new initiative and reaching out to the Law Student Professional Development Section to begin collaborating. We are very excited about these charges.

d. Vice-Chair of Environmental Scanning/Resources – Maria Comas
   i. Charges: Identify common challenges related to small CSO work including student engagement, employer outreach, data collection and working with alumni. Continue to collect handouts, sample workshops, and guides to rebuild the resource pool for members.
   ii. Maria will begin by assessing and removing old and outdated items currently living in the resource pool. Then, she will be sending personal emails to individual members asking them to contribute resources this summer and fall.

Our next call is scheduled for Thursday, October 8th at 3PM EST and the Chair/Vice-Chairs will meet on Friday, June 26th to discuss charges and potential work groups. We are looking forward to a fun and challenging year ahead!
