

Introducing Peer Group Employment Outcome Reports

What are Peer Group Employment Outcome Reports?

Starting with the Class of 2013, you may supplement your individual school report and the National Summary Report with a Peer Group Employment Outcome Report that will consist of the aggregated ERSS data from 7 to 10 schools that you consider to be peers or with which you would like to compare your employment outcomes. The Peer Group Employment Outcome Report looks like the National Summary Report but is based on just your chosen peer group, rather than all schools. In addition to the Peer Group Employment Outcome Report, your package will include an Executive Summary, reporting selected measures for your school, your peer group, and the national figures.

Can I choose more than one peer group?

Yes, you can select up to three peer groups.

Will individual law school data remain confidential?

Yes. Because the data on a Peer Group Report will be the aggregated data from 7 to 10 other schools, it will be impossible to identify the employment outcomes data from any single school. These reports are not intended to be used to make or support public statements or assertions that compare one law school to another, or one law school with a group of law schools. See the Terms of Use on the order form.

How much does this report cost?

Each Peer Group Report is \$500. Delivery is via email. A hard copy via US mail is available for an additional \$25 per report. To order your report(s) complete the order form on the reverse side, and fax the form to 202-835-1112 or email a scanned copy to info@nalp.org, with the subject line: "Peer Group Reports."

Terms of Use

Note that Peer Group Employment Outcome Reports are to be used for internal law school purposes only. It is not permissible to publish or make public in any way the data from a Peer Group Report or the list of schools upon which a Peer Group Report was based. By signing this order form you indicate that you have read and understood this policy. Violations of this policy will result in a school forfeiting its right to order Peer Group Reports in the future.
