The market for recent law graduates is changing, and *Jobs & JDs — Employment and Salaries of New Law Graduates* is the most comprehensive source of information on those changes. How are law firm opportunities shifting for new law graduates in the Class of 2021? Which geographic markets provided the most jobs? Where did the graduates who are not practicing law find jobs? How do employment findings vary by gender and race/ethnicity?

- **Back up decisions with facts** and statistics about the current legal employment market.
- **Become the expert source of information** within your organization on the legal market and recent trends.
- **Access a wealth of information** at your fingertips when you counsel law students, talk with your dean or hiring committee, or speak with others about the legal market for recent law graduates.
