**Report any meetings, webinars, calls or conferences with organizations you have attended in the last 3 months:**  
I have represented NALP at PLANC’s March Board of Directors meeting in Philadelphia, as well as on several Board calls. As a non-voting member, my role has been largely observational.

I continue to monitor the PLANC listserv should there be career-related questions that I can answer.

**Report any notable information or project of interest to NALP/NALP members:**  
Similar to NALP, PLANC reached the unenviable decision to cancel the organization’s quadrennial member conference, which was to have been held in New Orleans June 8 – June 11, 2020. PLANC has delayed the conference until June 2021,

**Report any upcoming project or event of interest to NALP:**  
PLANC continues to work on ways to connect with Community College pre-law advisors, as they play a very important role in the law school pipeline.

**Report any goals suggested for the next year:**  
Continuing a theme from prior reports, as I learn more about PLANC and its members’ needs, I hope to identify resources that NALP can share, create or update to benefit pre-law advisers.
