

Coming in October 2017

The market for recent law graduates is changing, and *Jobs & JDs* is the most comprehensive source of information on those changes.

How are law firm opportunities changing for new law graduates? Which geographic markets provided the most jobs? Where did the graduates who are not practicing law find jobs? How do employment findings vary by gender and race/ethnicity?

- **Back up decisions with facts** and statistics about the current legal employment market.
- **Become the expert source** of information within your organization on the legal market and recent trends.
- **Have a wealth of information** at your fingertips when you counsel law students, talk with your dean or hiring committee, or speak with others about the legal market for recent law graduates.
