

NALP is conducting this short survey to learn more about the impact of the COVID-19 pandemic on U.S. law schools and students. The results of this survey will be made available to members for benchmarking purposes; however, no information about your individual school or that could be attributed to your school will be published. The survey will only take a few minutes to complete.

Please coordinate with other staff at your law school in order to submit only one survey per school. If you have any questions about this survey please contact Danielle Taylor, Director of Research, at dtaylor@nalp.org.

The deadline to complete the survey is **Tuesday, June 30**.
